Those wishing to present their ideas at the September 22nd Budget Forum should indicate this in the related question on the Budget Ideas Submission form. Submissions must be made by 10 a.m. on September 21st in order to be presented at the forum.

Questions to consider when submitting a budget idea:

- * What one service or program in our parks needs more funding?
- * How would you cut back in the event of a funding deficit?
- * How would you spend \$100 to improve your park?

The input received will assist the Chicago Park District in its 2021 budget planning process.

The Chicago Park District relies on its patrons for input to provide quality programming and amenities that cater to each unique Chicago neighborhood. We are asking taxpayers to take advantage of this valuable opportunity to be a voice in the process and help shape their local parks. Thanks in advance for your time and input.
