We encourage patrons to give input and feedback on the Chicago Park District 2022 budget by speaking at the public forum OR responding to an online survey. You may provide your ideas online and sign up to speak at the Budget Forum by visiting:

www.chicagoparkdistrict.com/annual-budget-process and complete the survey titled "Budget Ideas Submission".

Submissions must be made by 10 a.m. on September 13th in order to be presented at the forum.

Questions to ask yourself are as follows:

- * What one service or program in our parks needs more funding?
- * How would you cut back in the event of a funding deficit?
- * How would you spend \$100 to improve your park?

Please be sure to include your ideas in the comments section of the form. Results from the surveys will assist the Chicago Park District in its 2022 budget planning process.

The Chicago Park District relies on its patrons for input to provide quality programming and amenities that cater to each unique Chicago neighborhood. We are asking taxpayers to take advantage of this valuable opportunity to be a voice in the process and help shape their local parks. Thanks in advance for your time and input.
