Supplementary Information Regarding Aramark's Proposed MWBE Participation

As a managed services provider, Aramark understands the importance of developing strong business relationships. A key ingredient to our success is the formation of strategic relationships that provide value to our clients. Aramark's ability to identify, attract, develop, and support the right relationships with suppliers, vendors and service providers is key to our mutual growth. Our client base and the customers we serve represent the full range of diverse populations, and we believe that our local suppliers also should represent the diversity of the communities in which we live and work. We understand that each client is different and that flexibility is key. That's why we take a customized approach to supplier diversity in each unique area we serve.

We have a centralized, enterprise-wide program focused on identifying appropriate diverse suppliers and ensuring compliance with our clients' expectations. We work with our customers to develop a plan that makes the best use of regional and local resources, including diverse suppliers where appropriate.

Given the unique nature of the services sought by the RFP and that the submitter can subcontract out no more than 75% of the services, Aramark's potential use of subcontractors in its MWBE Participation Plan is limited. Aramark's proposal includes subcontracts with several key subcontractors, including V3 Construction Group, Ltd. and Integrated Lakes Management, Inc. (d/b/a ILM-Trusted Care of Land and Water), and, as part of Aramark's MWBE Participation Plan, includes two MBE subcontractors (Ward Environmental Services, Inc. and A&B Sanchez Landscaping, Inc.) and one WBE subcontractor (City Escape Garden & Design Center, LLC). Using these MWBE and non-MWBE subcontractors, Aramark approaches the 75% subcontractor limit set forth in the RFP. Accordingly, Aramark proposes to use a direct supplier, Anzy Supply, Inc., and indirect supplier Cristina Foods, Inc., to achieve the MWBE participation level sought by the RFP. Cristina Foods provides food supply/distribution services for Aramark at several of our other Chicago accounts, including the University of Chicago and Chicago Public Schools. Cristina Foods' contract is not with Aramark Management Services Limited Partnership but with another Aramark entity that is also – like Aramark Management Services Limited Partnership – owned by Aramark Services, Inc. Ultimately, both the Aramark entity servicing the Chicago Park District and the Aramark entity serving at Aramark's other Chicago area accounts, are part of the same company.

As also noted in the Schedules, depending on the services awarded pursuant to the RFP, Aramark may need to make adjustments to the MWBE participation plan detailed here and in Aramark's proposal.

Dear Mr. Sanchez:

We are pleased to inform you that **A & B Sanchez Landscaping, Inc.** has been recertified as a **Minority Business Enterprise ("MBE")** by the City of Chicago ("City"). This **MBE** certification is valid until **07/01/2017**; however your firm's certification must be revalidated annually. In the past the City has provided you with an annual letter confirming your certification; such letters will no longer be issued. As a consequence, we require you to be even more diligent in filing your **annual No-Change Affidavit 60 days** before your annual anniversary date.

It is now your responsibility to check the City's certification directory and verify your certification status. As a condition of continued certification during the five year period stated above, you must file an annual No-Change Affidavit. Your firm's **annual No-Change Affidavit** is due by **07/01/2015, and 07/01/2016**. Please remember, you have an affirmative duty to file your **No-Change Affidavit 60 days** prior to the date of expiration. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the Municipal Code of Chicago.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a **MBE** if you fail to:

Chicago, IL 60612-1828

Dear Ms. Rivera:

We are pleased to inform you that **City Escape Garden & Design, LLC.** has been recertified as a **Woman Business Enterprise (WBE)** by the City of Chicago ("City"). This **WBE** certification is valid until **11/30/18**; however, your firm's certification must be revalidated annually. In the past, the City has provided you with an annual letter confirming your certification; such letters will no longer be issued. As a consequence, we require you to be even more diligent in filing your **annual No-Change Affidavit 60 days** before your annual anniversary date.

It is now your responsibility to check the City's certification directory and verify your certification status. As a condition of continued certification during the five-year period stated above, you must file an annual No-Change Affidavit. Your firm's **annual No-Change Affidavit** is due by **11/30/14, 11/30/15, 11/30/16, and 11/30/17**. Please remember, you have an affirmative duty to file your **No-Change Affidavit 60 days** prior to the date of expiration. Failure to file your annual No-Change Affidavit may result in the suspension or rescission of your certification.

Your firm's five-year certification will expire on **11/30/18**. You have an affirmative duty to file for recertification **60 days** prior to the date of the five-year anniversary date. Therefore, you must file for recertification by **09/30/2018**.

It is important to note that you also have an ongoing affirmative duty to notify the City of any changes in ownership or control of your firm, or any other fact affecting your firm's eligibility for certification **within 10 days** of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, gross receipts and or personal net worth that exceed the program threshold. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the Municipal Code of Chicago.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a **WBE** if you fail to:

- File your annual No-Change Affidavit within the required time period;
- Provide financial or other records requested pursuant to an audit within the required time period;
- Notify the City of any changes affecting your firm's certification **within 10 days** of such change; or
- File your recertification within the required time period.

Please be reminded of your contractual obligation to cooperate with the City with respect to any reviews, audits or investigation of its contracts and affirmative action programs. We strongly encourage you to assist us in maintaining the integrity of our programs by reporting instances or suspicions of fraud or abuse to the **City's Inspector General at chicagoinspectorgeneral.org, or 866-IG-TIPLINE (866-448-4754).**

Be advised that if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment.
