### **III. Explanation**

Kells (George) Park is a 1.93-acre park located in the Humboldt Park Community Area that is improved with ballfields and a playground. The Park District leases this land from the City of Chicago Department of Water Management. On February 15, 2023, the Chicago Park District Board of Commissioners approved the land acquisition of 0.19-acres directly south along Kedzie Avenue to expand the park. Additionally, the City of Chicago owns approximately 0.36-acres of property at 714 North Kedzie Avenue. The Fire Truck Company #36 was decommissioned in 1981 and the City intends to transfer the land to the Chicago Park District for further expansion of the park. On the 0.55-acre parcels, the Park District will construct a new fieldhouse and playground. Upon project completion, a total of 2.48 acres of improved open space will be provided by this park that will serve the Humboldt Park Community Area.

### **IV. General Conditions**

- 1) *Conflicts*: The Agreement shall not be legally binding on the Chicago Park District if entered into in violation of the provisions of 50 ILCS 105, the Public Officer Prohibited Activities Act.
- 2) *Ethics*: The agreement shall contain a provision requiring compliance with Chapter III of the Code of the Chicago Park District ("Governmental Ethics").
- 3) *Contingent Liability*: Any agreement lawfully entered into for a period of more than one year shall be executory only for the amounts for which the Park District may become liable in succeeding fiscal years pursuant to 70 ILCS 17(i).
