IV. Procurement Information

The City of Chicago publicly advertised the Request for Quotation (RFQ) (viz. IFB) for the purchase of new Cab/Chassis Trucks with Aerial Platforms, Derricks, Buckets, Augers and Service Bodies for RFQ #177120, (SPEC# 119165). Bids were submitted to the City on the due date September 30, 2021. The RFQ, at the time of advertisement, in Section 3.1.4.12, "Participation by Other Local Government Agencies", named the Chicago Park District as a local government agency that is eligible to participate in the agreement during the contract term and extensions. Accordingly, this solicitation complies with the terms of the Joint Purchasing Agreement.

The Department of Purchasing submitted this joint purchasing request to the Chief Procurement Officer of the City and received his approval to proceed.

V. Explanation

The Department of Facility Management requires a company to supply and deliver new Cab/Chassis Trucks with Aerial Platforms, Derricks, Buckets, Augers and Service Bodies, for district wide use for various repairs, including but not limited to lighting repairs, due to an aging fleet. Tradesman utilized specialized trucks district wide to perform many daily operations, maintenance, and capital improvement projects. It is in the best interest of the Department of Facility Management and the Park District Chicago Park District to take advantage of the City's larger buying power and economies of scale by entering into joint participation with this agreement with the City of Chicago.
