This contract was publicly advertised as an Invitation for Bids (“IFB”), and there were three (3) sections, with a total of 20 categories for bid, and bidders could bid on one, some, or all categories. Three (3) bids were received on the due date and time, and were publicly opened and read aloud. Upon review of the bid pages submitted by the bidders, Purchasing found that one (1) category (Section 2, Category G) did not receive any bid. Additionally, Purchasing found every category in Section 3 received only one (1) bid. Chapter XI of the Code of the Chicago Park District permits single bid awards where the price submitted was fair and reasonable and where other bidders had reasonable opportunity to respond. V. Explanation

The Department of Facility Management is responsible for repairing and, maintaining Chicago Park District facilities, district wide and requires the services of companies that supply lumber, building materials and roofing supplies to perform this responsibility on an as needed basis year round. Having to maintain several hundred facilities district wide, which have heavy use and require constant upkeep and maintenance, having these contracts in place will allow The Department of Facility Management to expeditiously meet its operational needs at a fair and reasonable price. The awardees have submitted the lowest responsive and responsible bids for the applicable contract categories. Therefore, it is in the best interest of the Chicago Park District to award Atlas and Associates, Inc. and JL Corp. d/b/a/ Harry's Lumber Corp. the contracts for the applicable categories for the supply and delivery of Lumber, Building Materials and Roofing Supplies- district wide.
