AUTHORIZATION TO ENTER INTO A CONTRACT WITH SITE DESIGN GROUP FOR MIDWAY PLAISANCE EAST END IMPROVEMENTS SPECIFICATION P-21010

To the Honorable Board of Commissioners of the Chicago Park District

I. Recommendation

It is recommended that the General Superintendent and CEO or his designee enter into a contract with Site Design Group for design and construction phase services for improvements to the east end of the Midway Plaisance. The contractor was selected pursuant to a publicly advertised Request for Proposals ("RFP") through a target market search. No work may commence and no payment shall be made to vendor prior to the execution of a written agreement.

II. Award Information

Company: Site Design Group
888 South Michigan Avenue, Unit PH1
Chicago, Illinois 60605

Company Type: Illinois Business Corporation

Majority Interests: Ernest C. Wong - 90%;
Robert K. Sit - 10%

Contract Term: One (1) year with three (3) additional one-year extension options.

Contract Amount: \$329,360.00 for the initial contract term

Scope of Services: The scope of work of this project addresses one of the mitigation measures identified in the draft a Memorandum of Agreement (MOA) between the Federal Highway Administration, the Illinois State Historic Preservation Officer, and the Advisory Council on Historic Preservation was executed in December 2021: Replacement of recreational use area within Jackson Park that was restored in the 1980s using Urban Park and Recreation Recovery (UPARR) grant money. Because the footprint of the OPC development will modify the original UPARR boundary within Jackson Park, the City is required to dedicate replacement recreation property elsewhere. As part of a UPARR Amendment executed in May 2021 between the National Park Service and the City of Chicago (Grantee) and the Chicago Park District (Subgrantee), the recreation replacement will be partially addressed through the dedication of recreation area at the east end of the Midway Plaisance. To replace lost recreational opportunities and respond to community requests, the recreation replacement site will accommodate a combination of play area, open space, and rehabilitated walkways.

This contract was publicly advertised as a Target Market Request for Proposals (“RFP”). The Proposer was selected pursuant to a target market search. During the advertisement period the Department of Purchasing (“Purchasing”) received a request to extend the proposal due date. This request was granted and on August 18, 2021 the proposal due date was extended (5) calendar days from August 27, 2021 to September 1, 2021.

Four proposals were received on the due date and all proposals were found by the Department of Purchasing (“Purchasing”) to be compliant and responsive.

The Evaluation Committee (“EC”) was comprised of seven (7) voting members, six (6) CPD staff and one (1) non-CPD staff. There was also one (1) non-voting member, non-CPD staff. The EC began their evaluation of the proposals at their first meeting on September 17, 2021. They met again on September 21, 2021 and September 28, 2021 and decided at the conclusion of their meeting to invite all proposers to oral presentations. Oral presentations were held on September 28, 2021 and September 29, 2021, and each session lasted approximately 1 hour. The EC met once following oral presentations on September 29, 2021. The EC concluded their evaluation by scoring Site Design Group the highest.
