III. Explanation

The City of Chicago acquired property at 5056 and 5057 N. Monticello Avenue and intends to transfer it to the Park District for the expansion of Eugene Field Park (41) to address the needs of the Albany Park Community Area and the 39th ward. According to the *CitySpace* open space needs assessment the Albany Park Community Area is one of the top five community areas in Chicago with the highest open space deficit.

The City of Chicago owns property at 5101 N. Lawndale Avenue and intends to transfer it to the Park District. This parcel of land was acquired by the City of Chicago in 1976 and was incorporated Eugene Field Park thereafter. The City of Chicago also owns property at 8919 S. Dauphin Avenue. This parcel was acquired by the City in 1982 and was incorporated into Lorraine Dixon Park thereafter. Neither of these land transfers were legally effectuated. This was discovered as part of our efforts to verify and document the Park District's Real Estate portfolio.

IV. General Conditions

1) *Conflicts*: The Agreement shall not be legally binding on the Chicago Park District if entered into in violation of the provisions of 50 ILCS 105, the Public Officer Prohibited Activities Act.

2) *Ethics*: The Chicago Park District's Ethics Code, Chapter III of the Code of the Chicago Park District, shall be incorporated into and made part of the agreement.

3) *Contingent Liability*: Any agreement lawfully entered into for a period of more than one year shall be executory only for the amounts for which the Park District may become liable in succeeding fiscal years pursuant to 70 ILCS 17(i).
