V. Explanation

The CPD secured a grant from the Environmental Protection Agency (EPA) and additional funding from the Department of Water Management (DWM) to improve the parking lot, green the infrastructure and landscaping at Wilson Avenue Parking Lot in Lincoln Park. This green project will allow the parking lot infrastructure to be disconnected from the City's sewer system and obtain 100% onsite stormwater detention, through multiple natural bioswales and underground aggregate storage area. Additional deciduous trees, shrubs, perennials and native plantings will be installed to naturally reduce urban heat, filter pollution and enhance the overall appearance of the parking lot. Wilson Avenue Parking Lot Green Infrastructure project will be considered a model green parking lot by the EPA, DWM and for future CPD parking lot improvements.
