IV. Explanation

The Scope of Services for this project included construction of a new 5,000 square foot multi-purpose open gymnasium and ADA compliant bathrooms. Additional work within the existing facility included replacement of the roof, new restrooms, new office, and upgrades of existing building systems including electrical, plumbing, HVAC and new flooring throughout.

The Moore Park Building Addition enhances the indoor play activities at the park by providing a full gymnasium to support a wide range of indoor sports including basketball and volleyball. The addition creates a distinctive new building space that expands the programmatic range at Moore Park and provides space for recreational activities to youth and seniors.

VI. General Conditions

- 1) *Conflicts*: The Agreement shall not be legally binding on the Chicago Park District if entered into in violation of the provisions of 50 ILCS 105, the Public Officer Prohibited Activities Act.
