Specification Number: P-19000-R
Date Advertised: May 23, 2019
Date Bids Due: June 19, 2019
Number of Bids Received: Three (3)
Bid Evaluation Detail: Lowest responsible and responsive bidder

This contract was publicly advertised as an Invitation for Bids ("IFB"). Three (3) bids were received on the due date and time, and were publicly opened and read aloud. After the bids were reviewed by the Department of Purchasing ("Purchasing") it was determined that two (2) bidders were deemed non-compliant as they did not submit any MBE/WBE Schedules. Both bidders submitted Compliance Waiver Requests with their bid. The lowest bidder submitted Schedules with a reduced amount of MBE participation (11%) and no WBE participation. After working with the vendor to try and obtain some WBE participation, it became apparent that there was no area where participation could be achieved. The Department of Facility Management reviewed the bid of the apparent lowest responsive bidder, and it has been determined that Aqua Pure Enterprises, Inc. is the lowest responsible and responsive bidder for all four (4) categories.

V. Explanation

The Department of Facility Management (DFM) requires a wide variety of pool chemicals and supplies year-round for its daily operation of 28 indoor and 49 outdoor pools. Pool chemicals and related supplies that will be provided by the awardee are critical to maintaining them in a safe condition. These materials are used by the DFM personnel in the daily maintenance and repair of park pool facilities, district wide. Having this contract in place will allow DFM to expeditiously obtain both routine and emergency materials as necessary, at a fair and reasonable price. Additionally, Aqua Pure has the experience, capacity, and ability to provide the services required in this contract. Therefore, it is in the best interest of the Chicago Park District to award Aqua Pure Enterprises, Inc. the contract for the supply and delivery of pool chemicals and supplies.
