IV. Procurement Information

Specification Number: P-19010

Date Issued: May 18, 2019

Pre-Proposal Meeting: N/A

Number of Proposals Received: One (1)

Date Proposals Due: June 6, 2019

This contract was publicly advertised as a Request for Proposals (“RFP”). One (1) proposal was received on the due date and the proposal was found by the Department of Purchasing (“Purchasing”) to be compliant and responsive.

The Evaluation Committee (“EC”) was comprised of five (5) voting members, all CPD staff. The EC began their evaluation of the proposal at their first meeting on June 17, 2019, and the non-financial proposal was distributed. At the end of their first meeting they decided to send a request for an Oral Presentation. The second meeting was held on June 21, 2019 where the non-financial proposal was discussed and the financial proposal was distributed. Oral Presentation was held on June 25th, and after the presentation the EC decided to request a Best and Final Offer. Purchasing received the Best and Final Offers on June 27th. After review of the Best and Final Offer the EC concluded their evaluation unanimously scoring Flood Brothers Disposal Company the highest.

V. Explanation

The Department of Cultural and Natural Resources requires the services of a company that will: (i) collect all waste that is deposited in and around CPD cans, carts, compactors, containers, and dumpsters at the locations throughout the Park District except the lakefront; and (ii) transport all waste to properly licensed disposal sites and composting facilities. Translating the narrative summary of the scope of services into numbers, annually, it is estimated that the Awardee will collect and dispose: 12,000 tons of waste, 3,000 tons of recyclable materials, and 2,400 cubic yards of organic herbaceous waste. Further, there are approximately 5,000 containers and dumpsters that the Awardee will have to pick up 4-7 times per week during the peak season, May - September, and 1-3 times per week during the off season, October - April. Lastly, in addition to the collection and disposal of waste and recyclable materials, the

Awardee will also provide over 950 dumpsters of different sizes throughout the Park District.

Flood Brothers Disposal Company has the experience, capacity, and ability to provide all of the services required in this contract at a fair price. They are the incumbent and have been providing their services to the Park District since 2009. Further, they have been providing their services for over 40 years to municipalities and businesses throughout the Chicago Metropolitan Area. Additionally, they have a large fleet of diverse trucks, equipped with GPS, to serve the Park District. Lastly, they can provide all the dumpsters required and are able to use up to six disposal and composting facilities during the contract term. Therefore, it is in the best interest of the Chicago Park District to award Flood Brothers Disposal Company the Waste Collection, Disposal, and Recycling Services District Wide contract.

VI. General Conditions
