V. Explanation

The Department of Facility Management is responsible for repairing and, maintaining Chicago Park District facilities, district wide and requires the services of companies that supply plumbing supplies to perform this responsibility on an as needed basis year round. Having to maintain several hundred facilities district wide, which have heavy use and require constant upkeep and maintenance, having these contracts in place will allow the Department of Facility Management to expeditiously meet its operational needs at a fair and reasonable price. Further, the supplies are varied and required for both indoor and outdoor maintenance including: faucets, sprinklers, outdoor drinking fountains, pipe of all types and sizes, toilets, water mains, and water heaters.

Littman Industries, Inc. has the experience, capacity, and ability to supply and deliver the plumbing supplies to the Chicago Park District. Atlas & Associates, new to this commodity contract award, has experience and all have previous experience with the Chicago Park District. Further, they have the capacity to meet the delivery requirements of the Chicago Park District.

Therefore, it is in the best interest of the Chicago Park District, to award Atlas & Associates, Inc. and Littman Industries, Inc. the contracts for the applicable categories, for the supply and delivery of Plumbing Supplies-district wide, in which they are the lowest responsible and responsive bidder.

VI. General Conditions
