While attending Evanston Township High School, he was an all-state offensive tackle in football, the 1961 Heavyweight State Champion in wrestling and the 1961 Suburban Shot Put and Discus Champion. After enrolling at the University of Wisconsin, Bob Pickens was selected as the 1963 pre-season All-American and Big Ten Lineman of the Year during his sophomore term.

In 1964, Bob Pickens was selected for the Greco-Roman Wrestling Team representing the U.S. at the Olympics in Tokyo, Japan. Pickens was the first African American wrestler to compete. He placed sixth in the world. In 1965, Pickens then transferred to the University of Nebraska where he was selected as an All-American candidate, received All Big-Eight offensive tackle honors in football and finished second in the National AAU Wrestling Tournament Heavyweight Division, and equally as important, earned his B. S. degree in Business Administration.

Bob Pickens was drafted to the NFL and played offensive tackle for his beloved Chicago Bears from 1967-1969. Following his three years with the Bears, he spent a year playing for the Edmonton Eskimos in the Canadian Football League. This illustrious sports career as an athlete resumed with Pickens serving as a football official for the Big Ten from 1976-1989. He has worked such games as the Big Ten Championships, the Liberty Bowl, Peach Bowl and Rose Bowl. Pickens also served as national steering committee President of the NFL Players Association and President of the NFL Retired Players Association, Chicago Chapter. Pickens also served a number of years on the USA Wrestling Diversity Committee, helping the organization to expand opportunities within the sport and develop programs that were more inclusive.

Bob Pickens had an extensive business career but made time for others. He volunteered for numerous community and civic organizations such as Boys & Girls Clubs of America, Better Boys Foundation, the Michael F. Sheahan Youth Foundation and Boundless Playgrounds for children with special needs. He has been honored extensively, most notably with induction into The History Makers Athletic Hall of Fame and The Chicagoland Sports Hall of Fame.

In 2000, Bob Pickens joined the Park District Board as a Commissioner and in 2005 was elected Vice President of the Board. In his role on the Park District Board, he was a strong advocate for a number of causes the inclusion of minority and women-owned firms in the District's procurement of goods and services. The design of accessible playgrounds to serve all the children of Chicago equally, sports programming and programming for those served through the District's Special Recreation program. Vice President Pickens also enjoyed engaging in dialogue with citizens who came to address the board on a variety of topics.
