Procurement History: A Request for Proposals (RFP) was advertised on May 2, 2018. On May 30, 2018, a total of five (5) sealed proposals were received. All proposals received on the due date were initially reviewed by the Department of Purchasing (“Purchasing”) and one was found by Purchasing to be non-responsive because it didn’t include the required documents and was removed from consideration. Accordingly, four (4) proposals were found by Purchasing to be responsive and compliant and forwarded to the Evaluation Committee for their review.
